

The Greater Toledo Area

You are cordially invited to join us for membership in Club Red, a brand-new organization to benefit the American Red Cross. Club Red is exclusively for women and is dedicated to the support of the American Red Cross Greater Toledo Area Chapter and its mission. Since the Red Cross was started by a woman and built out of compassion for others, women should be given the opportunity to play a continuing role in the history of our chapter. Membership in Club Red is that opportunity!

The purpose of Club Red is to raise money and awareness, and to better our community. This year's program implemented by our organization is "Flirting with Disaster: Red Cross Infant and Child CPR and First Aid." Parents invest time daily in their child's future, and only a few more hours can help ensure their daughter's and son's safety. Several children in the Toledo area have already fallen victim this year to disasters that could have been prevented had someone been trained properly in Infant and Child CPR and First Aid. Club Red will help fund this training for new parents and grandparents who would not otherwise be able to afford it.

This invitation for membership into Club Red is being extended to the most compassionate and fun-loving women of the greater Toledo area. Membership dues are only \$100 annually for which you will receive:

- Our signature pin
- Private invitations to social events
- An invitation to be an ambassador for "Prelude to Oscar* Night."
- Networking opportunities
- An opportunity to volunteer
- A reason to make a difference

Our social events will be comprised of a short program, fun sisterhood with other women, and practical advice to help you deal with any "unique disasters" we, as women, may experience. Guest "disaster" experts will include spas, florists, beauty salons, etc.
